Re: Section 104(e) Request for Information
Beck's Lake Superfund Site, South Bend, Indiana
CERCLIS ID#: IND980904379

Dear Ms. Davison:

On behalf of Hasbro, Inc., I am writing in response to the Section 104(e) Request for Information dated August 25, 2015, in connection with the above-referenced matter.

My client will endeavor to respond to the rather comprehensive Request for Information as promptly as reasonably possible, but to respond as fully as possible will take more than the 30 days allotted for in the Request letter.

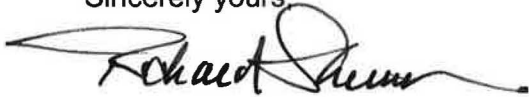

Therefore, on behalf of Hasbro, I am requesting an extension of 45 additional days which, if granted, would establish the deadline for response on Friday, October 9, 2015. It may be necessary to ask for a further extension, but we will wait until early October to determine if this is necessary.

Please advise me by e-mail if this request for a 45 day extension will be granted.

If you have any questions, please contact me. Thank you.
